HYUNDAI corporation

GROUP

Creating new values as a Global Business Partners

Company Introduction Overview

Established in 1976, Hyundai Corporation is a representative general trading company in Korea that has grown for over 45 years with excellent results in international trade, overseas investment, energy & resource development fields and brand business.

We, utilizing own trademark (HYUNDAI), produce high-quality Portable Generator, Power tools, Air tools and gardening products and so on in cooperation with worldly renowned OEM manufacturers and distribute them into over 90 countries throughout the world through main distributors/dealers.

Recently, in order to jump up to Premium Brand which competes with world-wide global brands, we put emphasis on qualitative growth and competitiveness enhancement of our business. And along with this idea, we secure sustainability and growth potential of our business through OEM business development.

Overseas Networks

Actively engaged in the global market, Hyundai Corporation has worked on various business fields through its 43 global business networks established all over the world.

Company : 11 (Including investment corporate)

Branch : 26

JV Company : 6

HYUNDAI ONE BATTERY PLATFORM

HYUNDAI 20V One Battery platform will keep expanding to offer you endless possibilities in the future.

01 Save money

Expand your productivity without paying for extra batteries and chargers, so you can save up to 50% when you buy tool only.

02 20V One Battery platform

HYUNDAI 20V One Battery platform provides a wide range of products to meet all your needs.

03 EASY-Flexible

Getting rid of the wire limit, you can work anywhere agilely and expediently.

HAMMER DRILL**HD20X-60****BRUSHLESS
MOTOR****Features**

Brushless motor
Two speed gear box
Rubber over mould grip
Variable speed with reverse
Single sleeve chuck
Auto spindle lock
LED light

Accessories

1pc Belt clip
1pc Double ended bits(PH2/PH5.5)

ANGLE GRINDER (4.5")**AG20X-115****BRUSHLESS
MOTOR****Features**

Brushless motor
Anti-restart prevent accident start
Quick guard adjustment
Dust resistant with mesh filters
Slide on/off switch
Spindle lock
2 positions auxiliary handle

Accessories

1pc Auxiliary handle
1pc Spanner
1pc Outer guard
1pc Quick change grinding guard

ANGLE GRINDER (5")**AG20X-125****BRUSHLESS
MOTOR****Features**

Brushless motor
Anti-restart prevent accident start
Quick guard adjustment
Dust resistant with mesh filters
Slide on/off switch
Spindle lock
2 positions auxiliary handle

Accessories

1pc Auxiliary handle
1pc Spanner
1pc Outer guard
1pc Quick change grinding guard

ROTARY HAMMER (SDS-PLUS)**RH20X-20****BRUSHLESS
MOTOR****Features**

Brushless motor
4 function in 1 button : Drill, hammer, bit rotation, chisel
SDS-plus chuck
Variable speed with reverse
Forward and reverse rotation
Rubber overmould grip
LED light

Accessories

1pc Auxiliary handle
1pc Metal depth gauge

IMPACT DRIVERID20X-230

IMPACT WRENCHIW20X-350

Features
Brushless motor
Metal gear box
3-Speed Control
Rubber over mould grip
Variable speed with reverse
LED light
Accessories
1pc Belt clip
1pc Screw driver bit

MINI ANGLE GRINDERAG20S-76

MULTI CUTTERMC20S

- Features
- Compact body and light weight

Highly versatile for different materials (metal, tile, thin concrete, plastic)

Spindle lock

Tool free guard adjustment for convenience and ease of use

Accidental start protection

Spanner on body
- Accessories
- 1pc Spanner

2pc Metal cutting disc

1pc Diamond cutting disc

1pc Metal grinding disc

1pc Wheel guard for cutting

- Features
- Multi functions: Sawing, scraping, sanding, etc.

Tool free blade change

Aluminium gear box

Slide on/off switch

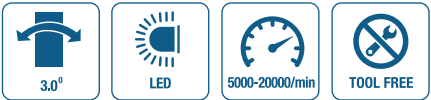

Variable speed control
- Accessories
- 1pc 1-1/8" 28mm standard end cut blade

1pc 1-1/4" 32mm standard end cut blade

1pc Rigid Scraping Blade

1pc Sanding pad

3pc Sanding sheet (60#/80#/120#)

ORBITAL SANDER

OS20S

POLISHER

PS20S

Features
Hook and loop system
Dust collection system
Fit with 6" polish pad
Pad brake system
Variable speed
Rubber overmould grip
Accessories
1pc Dust bag
1pc Dust extraction adaptor(35mm)
1pc Dust tube
Sanding paper (#60, #80, #120)

Features
Anti-restart prevent accident start
Digital screen adjust variable speed
Oscillating movements provide higher efficiency and better polishing results
Accessories
1pc Wool bonnet
1pc Terry cloth bonnet

INFLATOR (AIR PUMP)IF20S

HEAT GUNHG20S

- Features
- 4-in-1 : Inflator, tire pressure monitor, work light & emergency light
 - Smart options button for users' better control
 - Digital LED Gauge displays accurate tire pressure with the ability to preset desired PSI
 - Inflator pump automatically shuts off when set pressure is reached to avoid over-inflating
 - Adaptor storage on the machine body
- Accessories
- 1pc Ball adaptor
 - 1pc Tire valve adaptor
 - 1pc Air bed adaptor
 - 1pc 2.3ft high pressure hose

Adaptor Storage

150PSI
Max Pressure

- Features
- 2 Level temp setting
 - 3 Seconds auto cooling mode after switch off machine for more safety
 - High performance heating coils reach operating temperature in 5 seconds
- Accessories
- 1pc Flat nozzle
 - 1pc Deflector nozzle
 - 1pc Concentrator nozzle
 - 1pc Hook (on machine)

350/550 C°

200L/min

WORKSHOP BLOWERBW20S

RATCHET WRENCHRW20S-47

- Features
- ABS housing with TPE over-mould
 - Blower function only
 - Rubber overmould grip
- Accessories
- 1pc Dust tube

110MPH

12500/min

Rubber overmould grip

- Features
- Lock off switch
 - Variable speed
 - Compact head design ideal for working in tight spaces and overhead applications
 - Forward and reverse switch provides easy directional changes
 - Ergonomically handle with soft grip provides increased comfort and control
- LED light
- Can be used as manual ratchet when motor is not engaged

JOBSITE FAN

JF20S

Features

360° head allows for blowing up in the air, spinning around to ventilate the room, or dry off a project

High & Low speed

Wall-mountable, with a hanging hook and carry handle

Compact and light weight

Accessories

1pc Hanging hook

DUST EXTRACTOR

DE20S

Features

Wet and dry cleaning capability

Water proof design

On-board hose and accessory storage+carry handle makes the vac easy to carry/store/transport

With blowing function

Easily accessible, washable/ reusable filter 99.7% HEPA rated filter

Accessories

1pc washable HEPA filter

1pc shoulder strap

1pc wide nozzle

1pc Crevice tool

1pc Dust port adaptor

1pc 2.0m telescopic hose

GREASE GUN

GG20S-14 (14OZ) / GG20S-16 (16OZ)

Features

14 steps pump mode and Continuous mode dial

LED light illuminates dark work area

Lock on bottom for continuous mode

Low and high speeds for different applications

Metal eyelets for shoulder strap

With flexible TPU hose

Rubber vermould grip

MORE THAN JUST POWER

LI-ION BATTERY 2.0AH BI20-2

CHARGER (2A) C20-2

- Features
- Charging indicator

Fit for HYUNDAI 20V Li-ion battery

With Wallmount holes

QUICK CHARGER (4A) C20-4

- Features
- Charging indicator

Fit for HYUNDAI 20V Li-ion battery

With Wallmount holes

DUAL PORT CHARGER (4A) C20-4D

- Features
- Charging indicator

Fit for HYUNDAI 20V Li-ion battery

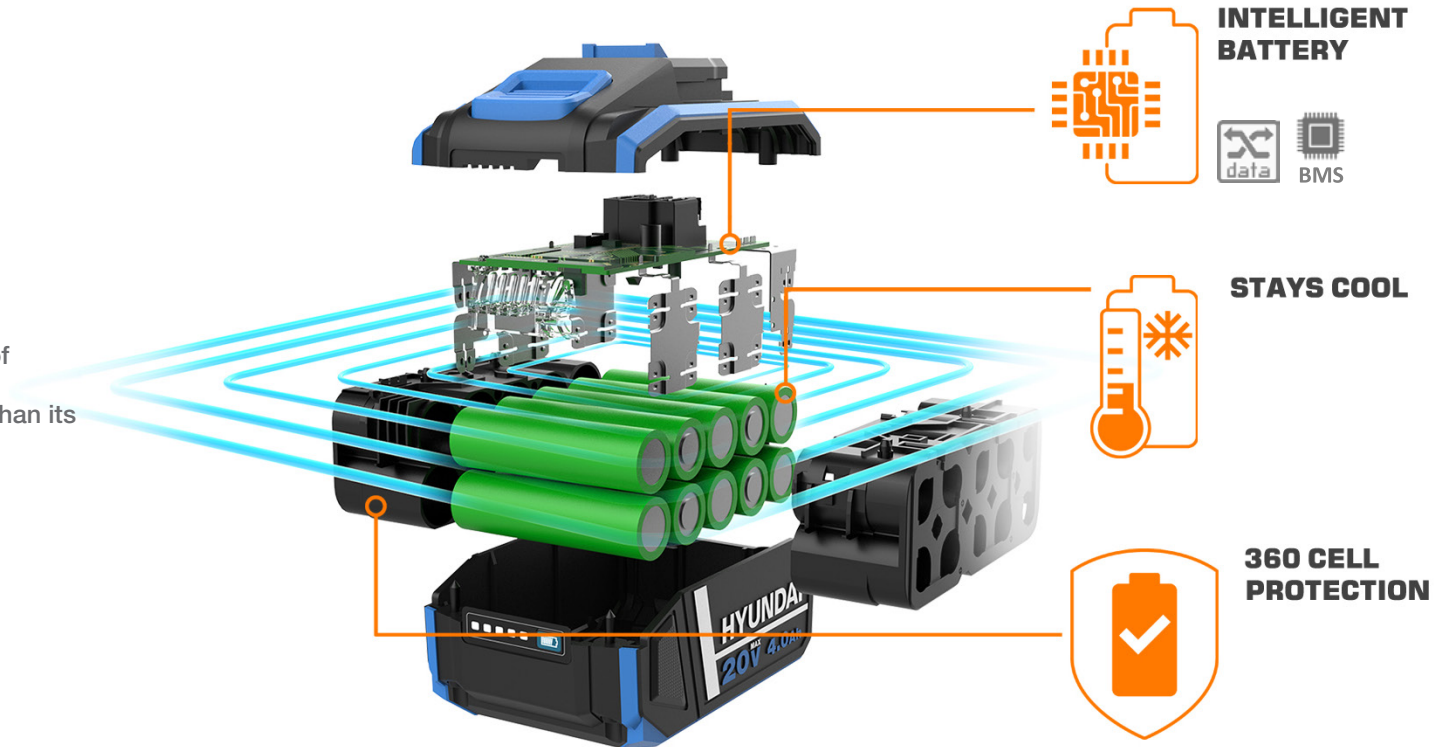

With Wallmount holes

BATTERY PACK TECHNOLOGY

Thermal Energy Storage (TES)*
material can absorb and store the heat of the battery, release the heat when the ambient temperature is lower than its temperature.

Heat Shield

Special heat storage plastic as TES* material, which is good for heat dissipation, to prolong battery life.

Cell Guard

The bracket full size packed the cell to absorb and store the heat better.
